Tri-Cities Landfill Assessment

Dear Fred:

As we last discussed in Phoenix, a rough draft of the revised report on the subject site assessment is enclosed herewith for your review.

Please provide your comments to me or Tan Phung by phone on April 18 so we can make any changes that may be necessary and begin final typing by April 21. Also, please advise us how you would like the 50 copies of the final report to be mailed.

We have assessed the project budget and needs for additional funds to cover the additional work requested. I will discuss with you by phone shortly.

Very truly yours,

\$1200
